DID YOU KNOW... LVISD offers approved “Smart Snacks” in the cafeteria. “The Healthy, Hunger-Free Kids Act of 2010 requires USDA to establish nutrition standards for all foods sold in school — beyond the federally-supported meals programs.” All snack and beverage items are run through the Smart Snack Calculator on the USDA website, to determine whether an item can be sold to students based on the grade levels for each school. For more information email jporter@lagovistaisd.net.
