

Notice of Regular Meeting The Board of Trustees Lago Vista ISD

A Regular Meeting of the Board of Trustees of Lago Vista ISD will be held on Monday, November 18, 2013, beginning at 6:00 PM in the Board Room of Viking Hall, 8039 Bar-K Ranch Road, Lago Vista, Texas 78645. The subjects to be discussed or considered or upon which any formal action may be taken are as listed below. Items do not have to be taken in the order shown on this meeting notice.

1. Invocation
 2. Welcome Visitors/Public Participation/Student Recognition
 3. Recognition of Outgoing Board Member: David Baker
 4. Oath of Office for New Board Members
 5. Reorganization of the Board Officers
 6. Construction Report: Owners Building Resource
 7. Financial Audit Report: Preston Singleton
 8. Approval of furniture bid proposal for the New Lago Vista High School
 9. Transfer Policy Review
 10. Federal Highly Qualified Status 2013-14
 11. Consent Agenda
 - a. Policy Update 98, affecting local policies (see attached list)
 - b. Approval of minutes for regular meeting on October 21st.
 - c. Monthly financial report
 12. Superintendent Report
 - a. Transportation Routing for 2014-15
 - b. Technology Support
 - c. Learning Management System
 13. Adjourn
-

If, during the course of the meeting, discussion of any item on the agenda should be held in a closed meeting, the Board will conduct a closed meeting in accordance with the Texas Open Meetings Act, Government Code, Chapter 551, Subchapters D and E. Before any closed meeting is convened, the presiding officer will publicly identify the section or sections of the Act authorizing the closed meeting. All final votes, actions, or decisions will be taken in open meeting.

Matt Underwood
Superintendent

Date

(LOCAL) Policy Action List
LAGO VISTA ISD (227912) - Update / LDU 98

BBE(LOCAL): BOARD MEMBERS - AUTHORITY

BBI(LOCAL): BOARD MEMBERS - TECHNOLOGY RESOURCES AND ELECTRONIC COMMUNICATIONS

DBA(LOCAL): EMPLOYMENT REQUIREMENTS AND RESTRICTIONS - CREDENTIALS AND RECORDS

DFFA(LOCAL): REDUCTION IN FORCE - FINANCIAL EXIGENCY

DFFB(LOCAL): REDUCTION IN FORCE - PROGRAM CHANGE

DGBA(LOCAL): PERSONNEL-MANAGEMENT RELATIONS - EMPLOYEE COMPLAINTS/GRIEVANCES

DH(LOCAL): EMPLOYEE STANDARDS OF CONDUCT

DNA(LOCAL): PERFORMANCE APPRAISAL - EVALUATION OF TEACHERS

EC(LOCAL): SCHOOL DAY

EIA(LOCAL): ACADEMIC ACHIEVEMENT - GRADING/PROGRESS REPORTS TO PARENTS

FEA(LOCAL): ATTENDANCE - COMPULSORY ATTENDANCE

FEC(LOCAL): ATTENDANCE - ATTENDANCE FOR CREDIT

Continued Activities:

- Installing VCT flooring in area 'A'
- Installing casework in classrooms throughout areas 'A', 'B' and 'C'
- Restroom fixtures continue to be installed in areas 'B' and 'C'
- Wood floors in competition and auxiliary gym has been sealed and sanded. Paint and striping is underway
- Touch-up painting in areas 'A', 'B' and 'C' continues
- Mechanical, electrical and plumbing rough-in continues at areas 'A', 'B', 'C', 'D' and 'E'
- Installing metal roof panels on baseball and softball press boxes and dugouts and on the Fieldhouse/Concessions building

PRESENT AT SITE: Mr. Bob Shelton / Fromberg Associates (FA)
Mr. Dustin Riley / Owners' Building Resource (OBR)
Mr. Brandon Welch, Mr. Steve Roach / Baird Williams Construction (BWC)
Mr. Matt Underwood / Lago Vista Independent School District (LVISD)

OBSERVATIONS:

1. Site Progress Notes
 - a. Concrete Flatwork installation underway
 - b. Curb installation underway
2. Area "A" Progress Notes
 - a. Stained Concrete installed and protection in place
 - b. Casework installation underway
 - c. Doors installed & ready for glazing
 - d. Toilet Partitions & Accessories installation underway
 - e. Elevator installed
3. Area "B" Progress Notes
 - a. Stained Concrete installed and protection in place
 - b. Casework installation underway
 - c. Doors installed & ready for glazing
 - d. Toilet Partitions & Accessories installation underway
 - e. Kitchen Equipment installed
4. Area "C" Progress Notes
 - a. Gym Wood Flooring sanding underway
5. Area "D" Progress Notes
 - a. Metal Wall Panel installation underway
 - b. Interior Gyp Board installation underway
 - c. Acoustical Cloud installation underway
6. Area "E" Progress notes
 - a. Ceramic Tile installation underway
 - b. Football Grandstand Bleachers installed
 - c. Softball Bleacher Flatwork installed
 - d. Baseball Bleacher Flatwork prepped for concrete
 - e. Batting cage installation underway
 - f. Sod installed at Softball Field ~75%

INFORMATION OR ACTION REQUIRED:

1. FA & LVISD to provide sealant color of Gym Flooring
 - a. Specs call for 2 coats of sealant & 2 coats of finish
 - b. FA recommends Clear Coat for both & will email LVISD images of Burnet & Johnson City Gyms
2. FA to confirm mounting height for Door Hardware at door A132A
3. Team discussed Arch Punch process for December
 - a. BWC to provide final construction punch list and inform Design Team after punch list is complete
 - b. FA to Punch Areas A, B, C, & E including the site & athletic fields
 - c. Areas to be punched later include New EMS Road, Tennis Court, Area D

The Contractor is directed to make all necessary revisions to the Work that are not in compliance with the contract documents, whether identified above or not. Any discrepancies in, or objections to, this report must be brought to the Architect's attention in writing within 7 days of reporting date

LAGO VISTA INDEPENDENT SCHOOL DISTRICT

FY2013 AUDIT REPORTING PACKAGE

AUGUST 31, 2013

LAGO VISTA INDEPENDENT SCHOOL DISTRICT
FY2013 AUDIT REPORTING PACKAGE
FOR THE YEAR ENDED AUGUST 31, 2013

Contents

Section I Required Communications with the Governing Body, Including Internal Control Related Matters

Section II Summary of Audit Adjustments

Section III Management Representation Letter

SECTION – I

Required Communications with the Governing Body,
Including Internal Control Related Matters

To the Board of Trustees
Lago Vista Independent School District
Lago Vista, Texas

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Lago Vista Independent School District for the year ended August 31, 2013. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and OMB Circular A-133, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter to you dated March 22, 2013. Professional standards also require that we communicate to you the following information related to our audit.

Communication of Significant Audit Related Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Lago Vista Independent School District are described in Note-I to the financial statements. During fiscal year 2013, the District implemented GASB Statement No. 63 Reporting Deferred Outflows, Deferred Inflows, and Net Position and GASB Statement No. 65 Items Previously Reported as Assets and Liabilities which did result in a net position restatement decrease of \$903,162 to end August 31, 2012 at \$7,242,169, for additional information see Note III. R. GASB Statement No. 63 introduces and defines deferred inflows and outflows as a consumption or acquisition of net assets that is applicable to a future reporting period. The Statement also identifies net position as the residual of all other elements presented in the statement of financial position. This was formerly referred to as net assets in prior year statements. GASB Statement No. 65 identifies certain items previously reported as assets and liabilities that the GASB determined should be recognized as revenues, expenses, or expenditures when incurred and not reported in statements of net position/balance sheets at all. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the estimated remaining useful lives of the District's facilities and equipment is based on prior experience and common life spans of the different categories of capital assets. We evaluated the key factors and assumptions used to develop the estimate of the remaining useful lives of facilities and equipment in determining that they are reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated October 11, 2013.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Board of Trustees and management of Lago Vista Independent School District and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Singleton, Clark & Company, PC
Austin, Texas

SECTION - III

MANAGEMENT REPRESENTATION LETTER

Lago Vista Independent School District
8039 Bar-K Ranch Road
Lago Vista, Texas 78645

Singleton, Clark & Company, PC
9442 Capital of Texas Hwy. N
Plaza One, Suite 500
Austin, Texas 78759

This representation letter is provided in connection with your audit of the financial statements of Lago Vista Independent School District, which comprise the respective financial position of the governmental activities, the business-type activities (if any), each major fund, and the aggregate remaining fund information as of August 31, 2013, and the respective changes in financial position and, where applicable, cash flows for the year then ended, and the related notes to the financial statements, for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of October 11, 2013, the following representations made to you during your audit.

Financial Statements

- 1) The financial statements referred to above are fairly presented in conformity with U.S. generally accepted accounting principles and include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
- 2) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
- 4) Significant assumptions we used in making accounting estimates are reasonable.
- 5) Related party relationships and transactions, including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- 6) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed. No events, including instances of noncompliance, have occurred subsequent to the balance sheet date and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements or in the schedule of findings and questioned costs.
- 7) The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements for each opinion unit. A list of the uncorrected misstatements, if any, is attached to the representation letter.

- 8) The effects of all known actual or possible litigation, claims, and assessments have been accounted for and disclosed in accordance with U.S. GAAP.
- 9) Guarantees, whether written or oral, under which the school district is contingently liable, if any, have been properly recorded or disclosed.

Information Provided

- 10) We have provided you with:
 - a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters and all audit or relevant monitoring reports, if any, received from funding sources.
 - b) Additional information that you have requested from us for the purpose of the audit.
 - c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.
 - d) Minutes of the meetings of the Board of Trustees or summaries of actions of recent meetings for which minutes have not yet been prepared.
- 11) All material transactions have been recorded in the accounting records and are reflected in the financial statements and the schedule of expenditures of federal awards.
- 12) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 13) We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a) Management,
 - b) Employees who have significant roles in internal control, or
 - c) Others where the fraud could have a material effect on the financial statements.
- 14) We have no knowledge of any allegations of fraud or suspected fraud affecting the entity's financial statements communicated by employees, former employees, regulators, or others.
- 15) We have disclosed to you all known instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse, whose effects should be considered when preparing financial statements.
- 16) We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.
- 17) We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware.

Government—specific

- 18) We have made available to you all financial records and related data and all audit or relevant monitoring reports, if any, received from funding sources.
- 19) There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
- 20) We have taken timely and appropriate steps to remedy fraud, violations of laws, regulations, contracts, or grant agreements, or abuse if matters such as these have been reported to us.

- 21) We have a process to track the status of audit findings and recommendations if they have been reported to us.
- 22) We have identified to you any previous audits, attestation engagements, and other studies related to the audit objectives and whether any related recommendations have been implemented.
- 23) We have provided our views on reported findings, conclusions, and recommendations, as well as our planned corrective actions, if any findings have been reported.
- 24) The school district has no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, or equity.
- 25) We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits and debt contracts; and we have identified and disclosed to you all laws, regulations and provisions of contracts and grant agreements that we believe have a direct and material effect on the determination of financial statement amounts or other financial data significant to the audit objectives, including legal and contractual provisions for reporting specific activities in separate funds.
- 26) There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
- 27) As part of your audit, you assisted with preparation of the financial statements and related notes and schedule of expenditures of federal awards. We have designated an individual with suitable skill, knowledge, or experience to oversee your services and have made all management decisions and performed all management functions. We have reviewed, approved, and accepted responsibility for those financial statements and related notes and the schedule of expenditures of federal awards.
- 28) The school district has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
- 29) The school district has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
- 30) We have followed all applicable laws and regulations in adopting, approving, and amending budgets.
- 31) The financial statements include all component units as well as joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations.
- 32) The financial statements properly classify all funds and activities.
- 33) All funds that meet the quantitative criteria in [GASB Statement Nos. 34](#) and [37](#) for presentation as major are identified and presented as such and all other funds that are presented as major are particularly important to financial statement users.
- 34) Components of net assets (net investment in capital assets; restricted; and unrestricted) and equity amounts are properly classified and, if applicable, approved.
- 35) Investments, derivative instruments, and land and other real estate held by endowments are properly valued.
- 36) Provisions for uncollectible receivables have been properly identified and recorded.
- 37) Expenses have been appropriately classified in or allocated to functions and programs in the statement of activities, and allocations have been made on a reasonable basis.

- 38) Revenues are appropriately classified in the statement of activities within program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
- 39) Interfund, internal, and intra-entity activity and balances have been appropriately classified and reported.
- 40) Deposits and investment securities and derivative instruments are properly classified as to risk and are properly disclosed.
- 41) Capital assets, including infrastructure and intangible assets, are properly capitalized, reported, and, if applicable, depreciated.
- 42) We have appropriately disclosed the school district's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net assets are available and have determined that net assets were properly recognized under the policy.
- 43) We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.
- 44) With respect to federal award programs:
 - a) We are responsible for understanding and complying with and have complied with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, including requirements relating to preparation of the schedule of expenditures of federal awards.
 - b) We have prepared the schedule of expenditures of federal awards in accordance with OMB Circular A-133, and have identified and disclosed in the schedule expenditures made during the audit period for all awards provided by federal agencies in the form of grants, federal cost-reimbursement contracts, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, insurance, food commodities, direct appropriations, and other direct assistance.
 - c) We acknowledge our responsibility for presenting the schedule of expenditures of federal awards (SEFA) in accordance with the requirements of OMB Circular A-133 §310.b, and we believe the SEFA, including its form and content, is fairly presented in accordance with OMB Circular A-133 §310.b. The methods of measurement and presentation of the SEFA have not changed from those used in the prior period and we have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the SEFA.
 - d) We have identified and disclosed to you all of our government programs and related activities subject to OMB Circular A-133.
 - e) We are responsible for understanding and complying with, and have complied with, the requirements of laws, regulations, and the provisions of contracts and grant agreements related to each of our federal programs and have identified and disclosed to you the requirements of laws, regulations, and the provisions of contracts and grant agreements that are considered to have a direct and material effect on each major program.
 - f) We are responsible for establishing and maintaining, and have established and maintained, effective internal control over compliance requirements applicable to federal programs that provides reasonable assurance that we are managing our federal awards in compliance with laws, regulations, and the provisions of contracts and grant agreements that could have a material effect on our federal programs. We believe the internal control system is adequate and is functioning as intended.
 - g) We have made available to you all contracts and grant agreements (including amendments, if any) and any other correspondence with federal agencies or pass-through entities relevant to federal programs and related activities.
 - h) We have received no requests from a federal agency to audit one or more specific programs as a major program.

- i) We have complied with the direct and material compliance requirements (except for noncompliance disclosed to you), including when applicable, those set forth in the *OMB Circular A-133 Compliance Supplement*, relating to federal awards and have identified and disclosed to you all amounts questioned and all known noncompliance with the requirements of federal awards.
- j) We have disclosed any communications from grantors and pass-through entities concerning possible noncompliance with the direct and material compliance requirements, including communications received from the end of the period covered by the compliance audit to the date of the auditor's report.
- k) We have disclosed to you the findings received and related corrective actions taken for previous audits, attestation engagements, and internal or external monitoring that directly relate to the objectives of the compliance audit, including findings received and corrective actions taken from the end of the period covered by the compliance audit to the date of the auditor's report.
- l) Amounts claimed or used for matching were determined in accordance with relevant guidelines in OMB Circular A-87, *Cost Principles for State, Local, and Tribal Governments*, and OMB's *Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments*.
- m) We have disclosed to you our interpretation of compliance requirements that may have varying interpretations.
- n) We have made available to you all documentation related to compliance with the direct material compliance requirements, including information related to federal program financial reports and claims for advances and reimbursements.
- o) We have disclosed to you the nature of any subsequent events that provide additional evidence about conditions that existed at the end of the reporting period affecting noncompliance during the reporting period.
- p) There are no such known instances of noncompliance with direct and material compliance requirements that occurred subsequent to the period covered by the auditor's report.
- q) No changes have been made in internal control over compliance or other factors that might significantly affect internal control, including any corrective action we have taken regarding significant deficiencies in internal control over compliance (including material weaknesses in internal control over compliance), have occurred subsequent to the date as of which compliance was audited.
- r) Federal program financial reports and claims for advances and reimbursements are supported by the books and records from which the financial statements have been prepared.
- s) The copies of federal program financial reports provided you are true copies of the reports submitted, or electronically transmitted, to the respective federal agency or pass-through entity, as applicable.
- t) We have charged costs to federal awards in accordance with applicable cost principles.
- u) We are responsible for and have accurately prepared the summary schedule of prior audit findings to include all findings required to be included by OMB Circular A-133 and we have provided you with all information on the status of the follow-up on prior audit findings by federal awarding agencies and pass-through entities, including all management decisions.
- v) We are responsible for and will accurately prepare the auditee section of the Data Collection Form as required by OMB Circular A-133.
- w) We are responsible for preparing and implementing a corrective action plan for each audit finding, if any.

VIRCO FULL SERVICE GUIDELINES

At Virco, we're committed to providing you with the highest-quality and most cost-effective delivery services. That's because your complete satisfaction - as well as the safety of our employees and of any other personnel at your facility - is of paramount importance. With that in mind, please be aware of the following **IMPORTANT CONDITIONS** that apply to Virco delivery services:

- Virco Full Service deliveries include inside delivery of product to a staging area in the building closest to the unloading area, or 100 feet from the trailer(s), whichever is closer.
- The customer or a designated representative must count all cartons of furniture unloaded from the trailer(s). The number of cartons received should match the Bill of Lading exactly. Any shortages, overages, and/or apparent freight damage must be noted on the Bill of Lading before it is signed and the carrier leaves the premises.
- Virco's delivery and installation crews must have complete and unobstructed access to buildings in which they will be working. In the event of new construction, Virco will not install while construction employees or projects are underway; any buildings in which Virco crews will be working must be turned over to the school district or governmental agency. If Virco agrees to perform the installation while construction is underway additional charges may apply. Installation while contractors are on site can cause delays; and the charge, in these cases, will be \$50.00 per man hour and will be billed to the school district or governmental agency.
- If a customer reschedules a delivery or installation date from that which was initially requested and printed on a Purchase Order, this may cause a rescheduling delay. Because Virco's Field Service Department schedules many deliveries and installations to committed time frames, it often happens that equipment and resources have already been fully allocated on any given date. While Virco will do its best to accommodate specific rescheduling requests, we reserve the right to reschedule on the next available date.
- Requests for multiple deliveries *due to construction delays* will result in additional freight charges. Freight charges will be added to the invoice.
- Installation charges include the delivery, set-up and placement of furniture one time only. Virco will not set furniture in place multiple times so that contractors can have sequential access to particular areas of a school. If a contractor moves Virco furniture, for any reason, the contractor will be responsible for returning it to its proper location and will assume full responsibility for any damages as a result of their actions.
- Installation projects have a project scope that includes time required (both in the number of days and hours per day) and the manpower needed. All projects use the calculation of ten-hour work days five days a week. When construction delays cause Virco crews to work more than ten hours a day, five days a week - or when Virco crews are forced to install a project in fewer days than planned, resulting in more hours worked per day - all overtime charges will be charged back to the school district or governmental agency.

Equipment for Educators™

VIRCO FULL SERVICE GUIDELINES

- In rare cases Virco may agree to work under hard-hat conditions. In these cases the additional labor charges indicated above will apply. Moreover, hard-hat conditions may delay Virco's attempt to quickly and efficiently perform jobs, and may also incur other charges. These charges will be determined at the job site and will vary from project to project.
- For an installation, the site's end user must provide the following:
 - A list of model numbers, colors and quantities of all items for each room to which furniture will be delivered. This list will also include height preferences for each desk and table. Tables and or desks will be assembled to the following height unless noted otherwise:
 - a. Pre-K & K = 23 inches
 - b. 1st & 2nd = 26 inches
 - c. 3rd & 4th = 28 inches
 - d. 5th to Adult = 29 inches
 - Safe access to and from staging areas and rooms.
 - Hours the site is available for installation, including weekends.
 - A site contact, who must be available to provide room access and answer pertinent questions during the installation.
- Each item will be moved from the staging area to its destination, as identified by the on-site contact, only one time. In this context, Virco suggests that a large venue, such as a cafeteria or multi-purpose room, be designated as a staging area.
- Furniture will be unboxed and assembled in or near its destination.
- Upon completion of their work at the site, the installation crew will perform a final walk through. A Virco Punch List Form will be completed at that time for record keeping purposes.
- If the site end user has requested that product remain in cartons- uninstalled - for a period of time, a return visit from the installation crew will incur surcharges to the billing party. Pricing for this service must be negotiated with the Sales Representative.
- Damaged or missing products will be recorded on Virco's Customer Service Request (CSR) form to expedite any replacement parts.

APPLICATION FOR PUPIL TRANSFER

School Year 2013-2014

A nonresident student wishing to transfer into the District shall file an application for transfer each school year with the Superintendent. Transfers shall be granted for one regular school year at a time. Please submit student's attendance records, discipline records, and academic records, including, but not limited to, course grades and state-mandated test scores.

Student Information:

Student's Name _____
Last First MI Grade Level

Student's Date of Birth _____ Sex M__ F__ Social Security Number _____

Student's Physical Address _____

City State Zip Home Phone

Resident School _____
District Name School Name

The student is currently enrolled in: public school private school parochial or home school charter or academy school

Has the student engaged in conduct or misbehavior within the preceding year that has resulted in removal to a discipline alternative education program (DAEP), a disciplinary assignment outside the regular classroom or expulsion from any school district, charter school, private or parochial school, or academy? Yes No

If yes, please specify school and disciplinary placement, reason for removal and duration of removal.

Is the Student on probation, conditional release, or informal adjudication from a juvenile court for engaging in delinquent conduct or conduct in need of supervision? Yes No

Is the Student on probation or other conditional release for conviction of a criminal offense? Yes No

If yes, what reason was given? _____

Parent or Guardian Information:

Name of Father/Guardian _____ Name of Mother/Guardian _____

Father/Guardian address _____ Mother/Guardian address _____

Home/Cell Phone _____ Home/Cell Phone _____

With whom does student live? Both Parents Father Mother Guardian

If other, give name _____ Relationship _____

Please indicate if any of the following apply: Student is a sibling of another SISD student Student is currently a transfer student at SISD
 Student's resident school is listed on the current PEG (Public Education Grant) list published by TEA

Affirmation: I understand that making a false statement in this document or any other document for the purpose of school enrollment is a criminal offense under Section 37.10 of the Texas Penal Code and could subject me to imprisonment for up to two years and/or a fine up to \$10,000. I further understand that enrollment of a child under false documents is a violation of Section 25.001 of the Texas Education Code and subjects me to liability under Texas law for the greater of these amounts: the maximum tuition permitted by law or the cost per student budgeted by the District for maintenance and operating expenses.

Parent or Legal Guardian _____ Date _____

To be completed by Campus Principal

Approved
 Denied Reason: _____
 Revoked Reason: _____

Campus Principal

SALADO INDEPENDENT SCHOOL DISTRICT
NON-RESIDENT TRANSFER AGREEMENT

This is an agreement concerning the transfer of _____ (student), a non-resident, into the Salado Independent School District (SISD or "the District"). The agreement is entered into by _____, Parent or Legal Guardian, on behalf of the student, and the Superintendent, on behalf of the District. The agreement is effective only after being signed by the parent, and the Superintendent of the District. This Agreement is to be reviewed and signed annually.

SISD Transfer Application Procedures

1. Complete the Transfer Agreement and Application for Transfer and return to the Superintendent's Office. Please submit student's attendance records, discipline records, and academic records, including, but not limited to, course grades and state-mandated test scores.
2. The Principal may approve, deny, or revoke and will forward the application and agreement to the Superintendent's Office.
3. Parents will be notified of approval.

Criteria:

Approval is based upon space available, prior attendance, discipline records, and the student's academic records, including, but not limited to course grades and state-mandated test scores. The parent for out of district transfers must provide transportation. Students receiving Special Education services are required to have a planning meeting prior to transfer.

Please reference LOCAL POLICY FDA for further questions.

Recitals:

- 1.1 Nonresident status. Neither Parent nor Student is a resident of SISD. Student desires to enroll in SISD.
- 1.2 Application only. The Parent's signature below constitutes an application for transfer of the Student. No transfer is effective until the Superintendent's signature appears on this document.
- 1.3 Transfer criteria. Transfer applications are considered on an individual basis without regard to sex, race, national origin, color, religion, disability, or ancestral language. In making decisions, the Principal and/or Superintendent may consider student's attendance, academic records, including, but not limited to course grades and state-mandated test scores, disciplinary history, as well as the District's class sizes, available resources, and any potential effect on resident students.
- 1.4 UIL. Parent acknowledges that the constitution or rules of the University Interscholastic League (UIL) may require the District to exclude the Student from participating in certain extracurricular interscholastic competitions.
- 1.5 GT program. Parent acknowledges that SISD policy EHBB (Local) makes placement of a transfer student in the District's gifted and talented program contingent upon reassessment using SISD documents.
- 1.6 Consent to release of records. The Parent's signature below constitutes a consent by the parent for SISD officials to obtain and review, for the purpose of the application for transfer, copies of the Student's records maintained by any school district in which the Student has been enrolled, including the district in which the student is currently enrolled, if any.

Mutual Promises:

2.1 No property interest. Parent and Student acknowledge that because the student is not a resident of SISD, any right of the student to become or remain enrolled or to receive any educational services is based on this agreement and not on residence, state eligibility criteria, or entitlement provided by law. This agreement does not create any property interest in favor of the student to become or remain enrolled in the SISD.

2.2 Parent's right to cancel. The parent may cancel this agreement by giving 30 days written notice to the Superintendent or by becoming a resident of SISD.

2.3 Revocation. The District may immediately revoke this agreement for any lawful reason and provide reasonable notification to Parent. Lawful reasons include, without limitation, notification by an agency of the state or federal government that the transfer contemplated by this agreement is not authorized by law, or any disciplinary infraction or condition for which this agreement permits revocation.

2.4 Rights and duties. Except as provided by this agreement, the non-resident Parent and Student possess all rights and agree to perform all duties provided by law and policy for resident parents and students.

2.5 Student behavior. Students who transfer into the District must follow all rules and regulations of the District, including those for student conduct and attendance. Failure to fulfill these responsibilities may result in revocation of the transfer agreement. Students and parents shall receive notice of this policy upon application for a transfer. At the Superintendent's discretion, in consultation with the campus Principal, any conduct by the Student that could result in a discretionary AEP removal may also result in revocation of this agreement.

2.6 Additional conditions. This section does not limit the provisions in this agreement concerning disciplinary infractions. Because an inter-district transfer is a privilege rather than a right, the agreement may be revoked for any of the following reasons, without limitation:

- a. The student's attendance has fallen below ninety five percent in any semester.
- b. The student has earned repeated failing grades in any class.
- c. The student has engaged in repeated minor violations of the Student Code of Conduct.
- d. The student has engaged in any gang-related activity.
- e. The student has engaged repeatedly in behavior that hinders the learning of other students.
- f. The student has engaged in conduct that is disruptive to the educational process of the District.
- g. The student's vaccination record becomes out of compliance with state law.
- h. A District administrator determines that a false statement has been made in any part of this application.
- i. The student has withdrawn from SISD for any period of time or has enrolled in another public or private school.

Upon the occurrence of any of the listed circumstances, the Superintendent shall, before making a decision, receive the recommendation of the campus Principal concerning the status of the transfer. If the transfer is revoked, the District will notify the Parent and the Student's school district of residence.

If Parent or Student disagrees with the decision of the Superintendent, an appeal before the Board may be requested in writing and delivered to the Superintendent, who will schedule a hearing at a regular meeting of the Board. Except in cases in which the Principal has ordered expulsion or any discipline-related removal of the Student, the Student will be allowed to remain as a District student until the Board has rendered its decision.

2.7 Re-enrollment. The parent agrees that, in the event of revocation, the student will be immediately enrolled in the district of residence, another public or private school, or home school that meets the compulsory attendance law.

2.8 Duration of the agreement. Unless canceled or revoked by its terms, the agreement applies for the current academic school year.

I have read the Salado ISD policies for student transfers and agree to abide by said policies in order to transfer my child/children to Salado ISD.

Please attach current transcript showing course grades, state-mandated test scores, and attendance and discipline records from former school and return with application to the Superintendent's Office.

ADMISSIONS
INTERDISTRICT TRANSFERS

FDA
(LOCAL)

AUTHORITY	<p>The Superintendent is authorized to accept or reject any transfer requests, provided that such action is without regard to race, religion, color, sex, disability, national origin, or ancestral language.</p> <p>A resident student who becomes a nonresident during the course of a semester shall be permitted to continue in attendance for the remainder of the semester.</p>
TRANSFER REQUESTS	<p>A nonresident student wishing to transfer into the District shall file an application for transfer each school year with the Superintendent or designee. Transfers shall be granted for one regular school year at a time.</p>
FACTORS	<p>In approving transfers, the Superintendent or designee shall consider availability of space and instructional staff, the student's disciplinary history, the student's attendance records, and the student's academic records, including, but not limited to, course grades and state-mandated assessment scores.</p>
REVOCAION OF TRANSFER	<p>A transfer student shall be notified in the written transfer agreement that he or she must follow all rules and regulations of the District; including those for academic progress, student conduct, and attendance; and that violation of the District's rules and regulations may result in revocation of the transfer agreement. The effective date of the revocation shall be set in accordance with the written transfer agreement.</p> <p>Written notification of any transfer revocation shall be sent to the school district of residence.</p>
TUITION	<p>If the District charges tuition, the amount shall be set by the Board, within statutory limits.</p>
WAIVERS	<p>The Board may waive tuition for a student based on financial hardship upon written application by the student, parent, or guardian. [See FP]</p>
NONPAYMENT	<p>The District may initiate withdrawal of students whose tuition payments are delinquent.</p>
APPEALS	<p>Any appeals shall be made in accordance with FNG(LOCAL) and GF(LOCAL), as appropriate.</p>

Vantage Points

A Board Member's Guide to Update 98

Please note: *Vantage Points* is an executive summary, prepared specifically for board members, of the TASB Localized Update. The topic-by-topic outline and the thumbnail descriptions focus attention on key issues to assist local officials in understanding changes found in the policies. **The description of policy changes in *Vantage Points* is highly summarized and should not substitute for careful attention to the more detailed, district-specific Explanatory Notes and the policies within the localized update packet.**

This information is provided for educational purposes only to facilitate a general understanding of the law or other regulatory matter. This information is neither an exhaustive treatment on the subject nor is this intended to substitute for the advice of an attorney or other professional advisor. Consult with your attorney or professional advisor to apply these principles to specific fact situations.

We welcome your comments or suggestions for improving *Vantage Points*. Please write to us at TASB Policy Service, P.O. Box 400, Austin, TX 78767-0400, e-mail us at policy.service@tasb.org, or call us at 800-580-7529 or 512-467-0222.

For further information about Policy Service, check out our Web site at <http://policy.tasb.org>.

Update 98 represents the first of two post-legislative updates and encompasses changes in law from the 83rd Regular Legislative Session that have an immediate effect on the governance and management of the district. Update 99 will be issued in spring 2014 and will address the remaining legislative changes from the session.

Throughout this document, House Bill is abbreviated as HB and Senate Bill as SB.

Accreditation and Accountability

HB 5 prompted extensive changes throughout the policy manual, including the following changes to provisions on accountability:

- AIA(LEGAL) reflects new student achievement indicators and modified district and campus distinction designations.
- At AIB(LEGAL), districts must assign district and campus performance ratings regarding community and student engagement, as well as compliance with statutory reporting and policy requirements. Districts must report the ratings to TEA.

Board Issues Elections

In accordance with a recent U.S. Supreme Court decision that held certain preclearance requirements of the Voting Rights Act unconstitutional, we have deleted from legally referenced policies at BBB, BBC, CCA, and CCG provisions regarding preclearance for election changes.

Several bills from the 83rd Legislative Session also affected provisions on board member elections, as reflected at BBB(LEGAL):

- SB 910 changes deadlines for filing special elections and eliminates the option for a district to set a date by which a candidate's application must be filed.
- HB 506 requires certain districts conducting November elections to designate as an early voting polling place any polling place established by the county and located in the district, while HB 985 extends the deadline to canvass early voting results for November elections.
- HB 259 restricts districts from prohibiting electioneering outside the 100 foot marker allowed by law, though districts may set reasonable regulations regarding the time, place, and manner of electioneering.

At BBC(LEGAL), SB 910 extends the date for holding a special election to fill a board member vacancy.

Access to Information

In accordance with HB 628 and as provided at BBE(LEGAL), a board member, when acting in his or her official capacity, has an inherent right of access to district information without submitting a Public Information Act (PIA) request. New requirements for reporting the number and cost of board member requests for information have also been added.

BBE(LOCAL) POLICY CONSIDERATIONS

As a result of the HB 628 provision described above, recommended revisions to this local policy specify that if a board member is not acting in his or her official capacity, the board member has no greater access to district records than a member of the public. A board member who is denied access to a record may ask the board to determine whether the record should be provided or he or she may file a request under the PIA.

New recommended text also mirrors the new statutory requirement that the district track and report the number and cost of responding to information requests from board members.

Meetings

As reflected at BE(LEGAL) and new policy BBI(LEGAL), HB 2414 clarifies that a communication between board members does not constitute a meeting for purposes of the Texas Open Meetings Act if the communication is in writing, posted to an online message board that is viewable and searchable, displayed in real time, and remains visible for no less than 30 days.

Also at BE(LEGAL), SB 984 and HB 2414 expand a board member’s ability to participate in a board meeting by videoconference call.

In accordance with provisions from SB 471, we have removed references to “tape” recordings throughout several codes in this update.

District Operations

As reflected at CCA(LEGAL), SB 637 requires the election order for a bond election to list specific items and describes the election order posting requirements.

Local Revenue Sources

Legislative changes regarding ad valorem taxes have been incorporated at CCG(LEGAL):

- In accordance with HBs 97, 709, and 1597, a disabled veteran may pay residential property taxes in four equal installments.

- HB 585 permits a board to authorize reappraisal of damaged property located in a governor-declared disaster area. Previously, the law referred to a *natural* disaster area.
- HB 3390 made extensive changes to the Texas Economic Development Act.

As reflected at CCH(LEGAL), HB 585 now requires a local administrative judge to appoint appraisal review board members in any county with a population of 120,000 or more.

Use of District Facilities

At CDB(LEGAL), SB 2 requires a district to offer each open-enrollment charter school located within district boundaries the opportunity to buy, lease, or use unused or underutilized district facilities before the facility is offered to another entity. The board is not required to accept the charter school's offer.

Purchasing and Contracts

At CH(LEGAL) and CV(LEGAL), HBs 1050 and 3648 revise rules for awarding contracts to out-of-state bidders, while HB 1050 also addresses the purchase of construction-related goods or services through interlocal agreements.

Donations and Disposal of Property

Two bills specifically affect donation or disposal of district property:

- At CE(LEGAL), SB 1536 now permits a district to donate funds or other property or service to the Texas State Guard.
- At CI(LEGAL), SB 211 prohibits a district from disposing of property acquired from the Texas Facilities Commission for two years from the date acquired.

Instructional Materials

As reflected at CMD(LEGAL), HB 5 requires that the Commissioner provide an estimate of instructional materials (IM) funding for the next fiscal year and allows districts to place an IM order before the next fiscal year for up to 80 percent of the estimate. The Commissioner will prioritize those orders, though a publisher may decline an order.

**School Safety
Police Officers**

For districts that have a legally referenced policy at CKE regarding security personnel, several legislative changes affect those provisions, including changes from SB 1114, which requires the district police chief to report to the superintendent only, and from HB 1016, which requires, in certain circumstances, a district to provide a district peace officer free legal representation in a suit relating to an official act by the employee.

CKE(LOCAL) POLICY CONSIDERATIONS

For districts that have a local policy at CKE addressing district peace officers, we have incorporated recommended changes corresponding to the SB 1114 requirement that the district chief of police report only to the superintendent. We have deleted references to the superintendent's designee throughout.

Transportation

CNC(LEGAL) reflects provisions from HB 347 regarding prohibitions on the use of wireless communication devices while operating a vehicle on school property, and provisions from SBs 393 and 1114 limiting the offense of disruption of transportation to persons other than a primary or secondary student and any person under 12. Revisions have also been made at GKA(LEGAL) regarding how the offense of disruption of transportation applies to non-students.

Food Services

At CO(LEGAL), HB 1781 limits the sanctions the Texas Department of Agriculture can impose on districts for the sale of foods of minimal nutritional value.

**School Health
Advisory
Council**

Legislative changes affecting a district's school health advisory council (SHAC) include the following:

- In provisions incorporated at BDF(LEGAL), HB 1018 requires a SHAC to form a physical activity and fitness planning subcommittee. At EHAA(LEGAL), the same bill requires a SHAC to recommend, if feasible, joint use agreements with community organizations.
- Also at EHAA(LEGAL), SB 460 expands SHAC duties to include recommending policies, procedures, and strategies in addition to curriculum and adds SHAC duties related to mental health concerns.

**Winter
Celebrations**

HB 308 addresses traditional winter celebrations, outlines when scenes or symbols may be displayed, and permits the exchange of traditional holiday greetings. Provisions associated with this bill have been added at FNA(LEGAL).

Personnel

**Employee
Records**

At DBA(LEGAL), provisions from HB 2961 clarify that an employee's social security number (SSN) is confidential, and a district cannot require an employee or former employee to choose whether to allow public access to his or her SSN. At DC(LEGAL), the same bill requires a board to adopt a policy prohibiting the use of an employee's SSN as an employee identifier other than for tax purposes.

DBA(LOCAL) POLICY CONSIDERATIONS

To comply with the policy requirement from HB 2961, recommended new provisions in this local policy state that the district will not use an employee's SSN as an employee identifier, except for tax purposes, and will keep the number confidential.

Compensation

As provided at DEAB(LEGAL), HB 483 requires a district to hold a public hearing to pay an employee or former employee more than the person is owed under an employment contract. The board must state the source and exact amount of the payment; the reason for the payment, including the public purpose served; and the terms for distribution of the payment.

Complaints and Grievances

At DGBA, a provision from HB 2607 states that, if a district's grievance policy entitles employees to representation, the policy must allow for representation via telephone conference call, provided the district has the necessary equipment, in grievances against the employee's supervisor for harassment or violations of law. The requirement applies to any formal proceeding, hearing, or conference at which the employee is entitled to representation.

DGBA(LOCAL) POLICY CONSIDERATIONS

If the district's DGBA(LOCAL) policy has existing text allowing for employee representatives, a new provision is recommended to comply with the HB 2607 requirement that the district permit an employee's representative to participate by telephone conference call in the grievance process. Recommended provisions broaden this telephone participation to any type of employee grievance, rather than only those required by law.

Staff Development

As reflected at DMA(LEGAL), SB 939 requires all new and existing employees to receive training on awareness of child abuse and other maltreatment of children. HB 1952 requires every principal or other appropriate administrator to attend training at least once every three years regarding student discipline.

Evaluations and Employment Decisions

At DNA(LEGAL), HB 2012 requires that certain components of the appraisal process be conducted as necessary to ensure that teachers receive adequate evaluation and guidance. Districts must give priority to inexperienced teachers and experienced teachers with identified areas of deficiency.

Another provision from HB 2012, reflected at DFBB(LEGAL) and DNA(LEGAL), requires a district to use a teacher's consecutive appraisals from more than one year, if available, in making employment decisions and developing career recommendations.

DFFA, DFFB, AND DFFC(LOCAL) POLICY CONSIDERATIONS

Consistent with the consecutive appraisal provision mentioned above, recommended changes to local policies regarding reduction in force require the district to use an employee's consecutive formal appraisal from more than one year, if available, in addition to the most recent formal appraisal, when evaluating performance for reduction-in-force decisions. This provision has been added to any existing local policies at DFFA (Financial Exigency), DFFB (Program Change), and DFFC (Continuing Contracts) and pertains to all evaluated employees.

DNA(LOCAL) POLICY CONSIDERATIONS

In light of HB 2012, language at DNA(LOCAL) regarding when evaluative information will be considered in employment decisions is no longer accurate and is recommended for deletion. Also in accordance with HB 2012 provisions, new language has been added at DNA(LOCAL) requiring a district to conduct components of the appraisal process more frequently if necessary to ensure a teacher receives appropriate guidance.

Instruction

**Structure of
School Day**

At EC(LEGAL), HB 5 requires a board to adopt policy limiting a student's removal from class for remedial tutoring or test preparation to no more than ten percent of days on which the class is offered. A parent can consent to additional removals from class.

EC(LOCAL) POLICY CONSIDERATIONS

This new recommended local policy addresses the HB 5 requirement limiting a student's removal from class, as described above, and also includes recommended text to comply with Education Code 25.083 limiting nonacademic activities, announcements, and solicitations that interrupt class time.

Curriculum

Several bills prompted changes at EHAA(LEGAL), regarding required instruction:

- HB 2662 adds personal financial literacy to the enrichment curriculum. At EHAC(LEGAL) is a requirement that each district offer a half-credit elective course in personal financial literacy, while personal financial literacy instruction has been removed from the essential knowledge and skills requirements for economics.
- SB 1474 requires that a specific process be followed before the adoption any major curriculum initiative.
- HB 462 prohibits districts from using common core state standards.
- HB 2483 adds oral health education as part of the overall coordinated health program.

Special Programs

Special Education

At EHBA(LEGAL), SB 816 moves the time frame for completing the written report of an initial individual evaluation for special education services. The bill also sets a deadline for the district to respond to a parent's request for an initial evaluation.

At EHBAB(LEGAL), SB 914 requires that any behavior intervention plan be included in a student's individualized education program and be provided to each of the student's teachers.

SB 906, as provided at EKB(LEGAL), prohibits TEA from adopting a performance standard that indicates a student's performance does not meet standards if the ARD committee determines that the lowest level of the STAAR-Alt assessment reflects the student's developmental level.

Compensatory/ Accelerated Services

Legislative changes regarding compensatory and accelerated services have been incorporated at EHBC(LEGAL):

- HB 5 changed the definition of "at-risk student" to include anyone under the age of 26, rather than the previous age of 21.
- SB 1404 requires that intensive programs of instruction be offered to any student the district determines is not likely to graduate within four years.
- HB 5 requires each district to partner with at least one institution of higher education to provide college preparatory courses in math and English language arts to a student in grade 12 who is not ready for entry-level college coursework. These provisions are also reflected at EKB(LEGAL).

Alternative Instructional Settings

Credit by Exam

Extensive revisions to provisions on credit by examination without prior instruction were prompted by companion bills HB 2694 and SB 1365. As provided at EHDC(LEGAL), a board must now approve at least four exams for each subject or course. The passing standard is now 80 percent rather than 90, and a student is not required to take an end-of-course (EOC) assessment in a subject if the student is awarded credit by exam. Revisions have also been made at FEC(LEGAL) to clarify that a student who earns credit by this method is not subject to the 90 percent attendance requirement to be awarded credit. Local policy recommendations will be issued after the State Board of Education publishes final rules.

Dual Credit

At EHDD(LEGAL), regarding college coursework and dual credit, HB 842 allows a district to implement a career and technical (CTE) program for students to earn 12 semester credit hours of college credit. HB 5 now permits a district to enter into an agreement for a community college to offer courses regardless of community college service areas. However, student enrollment is limited to three dual credit courses in a community college that does not serve the student's high school.

TxVSN

As reflected at EHDE(LEGAL), HB 1926 revised components of the Texas Virtual School Network (TxVSN). A district must now annually distribute to parents of middle and high school students a copy of its written policy regarding opportunities to enroll in TxVSN courses. Additionally, a district may now deny a student's request to enroll in a TxVSN course if the district offers a substantially similar course. Funding for TxVSN courses is limited to three yearlong courses.

State Assessment

EOC Assessments

HB 5 affected several codes with provisions on state assessments:

- At EHBC(LEGAL), HB 5 clarifies a district's obligations to provide accelerated instruction to a student who does not perform satisfactorily on a required EOC assessment. A district must annually hold a public hearing after evaluating the effectiveness of its accelerated instruction. Provisions added at CE(LEGAL) require a district to separately budget funds, including compensatory education funds, for providing accelerated instruction.
- As reflected at EIA(LEGAL) and EKB(LEGAL), HB 5 removed provisions requiring a student's score on an EOC assessment to count for 15 percent of the student's final grade.
- At EIC(LEGAL), provisions from HB 5 prohibit a district from using a student's performance on EOC assessments to determine class rank for any purpose, including automatic admission to college.

- At EKB(LEGAL), provisions addressing cumulative and minimum scores for EOC assessments have been deleted as a result of HB 5, as well as references to obsolete EOC assessments.

EIA(LOCAL) POLICY CONSIDERATIONS

For districts whose EIA(LOCAL) policy addresses EOC assessments and as a result of changes from HB 5 deleting the requirement to count EOC assessment scores as 15 percent of the student’s final grade, we recommend deleting the provisions in the district’s grading policy addressing EOC assessments, including how the district would count retake scores and calculate final grades.

EIC(LOCAL) POLICY CONSIDERATIONS

Also in accordance with the changes from HB 5, for districts whose EIC(LOCAL) policy on class rank addresses EOC assessments, we recommend deleting provisions regarding whether those assessments affect class rank.

Other Assessment Issues

Other assessment issues affected by legislative changes are addressed at several codes:

- At EK(LEGAL), HB 5 prohibits a district from administering more than two benchmark assessment instruments designed to prepare students for a state assessment. A parent of a student with special needs may request additional assessments.
- At EKB(LEGAL), HB 5 adds “except as required by federal law” to the provision exempting a student from administration of a grade-level assessment when the student is enrolled and tested in a course or subject above his or her enrolled grade level.
- At EKBA(LEGAL), HB 5 addresses minimum days for consecutive enrollment for an English language learner in determining whether the student qualifies for an exemption from or accommodation for a state assessment.

Graduation

Two bills affect provisions at EIF(LEGAL), concerning graduation. HB 5 allows a student who is completing his or her fourth year in high school during the 2013–14 school year to graduate under the new foundation program if the

student satisfies the program requirements. SB 1404 provides for a student in the conservatorship of the state to graduate from a previous school district if the student transfers in grade 11 or 12 and would be eligible to graduate from the former district.

Charter Schools

As reflected at EL(LEGAL), SB 2 modified the creation, content, and accountability provisions for campus charters and addresses TRS eligibility of employees of a district or open enrollment charter holder with which the district contracts.

Student Issues

Multiple bills affected provisions at FD(LEGAL) regarding admissions:

Admissions

- HB 2619 requires that any student placed in the conservatorship of the state now be allowed to continue in enrollment, tuition-free, until completion of the highest grade offered at the student's school when placed in a residence outside that school's attendance zone. Note that SB 832 requires each district to provide TEA the contact information for the district's foster care liaison.
- SB 453 requires districts that accept students with F1 visas to accept payment of tuition in accordance with Commissioner guidelines.
- HB 2137 requires that a district enroll in its summer school program a student who is not enrolled in the district but who is otherwise entitled to enroll. The student must meet course eligibility requirements and pay any authorized fees.
- SB 1142 provides for district funding for students enrolled in an adult high school diploma and industry certification charter school pilot program.

Attendance and Absences

FEA(LEGAL) incorporates legislative changes affecting provisions on compulsory attendance:

Compulsory Attendance Exemptions

- In accordance with HB 2619 and SB 1404, a child in the conservatorship of the state must be excused for mental health or therapy appointments and for certain court-ordered activities.
- HB 455 expands the existing requirement to excuse a student for purposes of attending a health-care appointment if the student is attending a health-care appointment for the student's child.
- SB 260 requires a district to excuse absences of up to five days per school year for a child to visit with a parent, stepparent, or legal

guardian who is an active duty military member and meets certain deployment standards. The absences must occur within an identified time frame.

- SB 553 permits a district to adopt a policy excusing a student for serving as an early voting election clerk. This provision has also been added at EIA(LEGAL) and FM(LEGAL) in reference to how this type of service can apply toward curriculum requirements.

FEA(LOCAL) POLICY CONSIDERATIONS

To correspond with the option to adopt a policy allowing a student to serve as an early voting election clerk, we recommend a revision to FEA(LOCAL) that will permit service as an election clerk for up to two days per year. This change is only recommended if the district serves high school students.

ADA Funding

FEB(LEGAL) has been updated to include the absences added at FEA(LEGAL), described above, and to affirm that districts will receive funding when students are absent for those purposes.

Impact on Award of Credit or Final Grade

HB 5 clarifies that the 90 percent attendance rule applies to students in kindergarten through grade 12 and that the rule applies to the award of credit or a final grade. Revisions have been made at EI(LEGAL), FEC(LEGAL), and FNG(LEGAL) to reflect this clarification.

FEC(LOCAL) POLICY CONSIDERATIONS

Recommended changes to FEC(LOCAL) reflect the clarification provided by HB 5 that the 90 percent attendance requirement applies to both the award of credit as well as a final grade. The growing list of excused absences is recommended for deletion in favor of a cross-reference to the list at FEA(LEGAL).

Attendance Enforcement

As reflected at FEA(LEGAL), SB 393 requires that a district complaint filed for failure to attend school be dismissed by a court if the complaint does not include certification about the use of truancy prevention measures and specify whether the student is eligible for or receives special education services.

Student Health

At FFAB(LEGAL), provisions from SB 63 allow for a child to consent to his or her own immunizations in certain circumstances.

At FFB(LEGAL), SB 831 adds mental health promotion and substance abuse prevention and intervention to the list of best-practice programs regarding mental health intervention and suicide prevention. SB 460 requires each district to provide training to employees regarding these issues. If a program is chosen from the list, then the training requirements are satisfied. Adopting a local policy addressing this issue continues to be optional.

Abuse and Neglect

Multiple bills affected provisions regarding child abuse and neglect at FFG(LEGAL):

- HB 1205 revised the penalties associated with failure to report suspected child abuse and neglect.
- SB 939 requires that each district post in a public area of a school accessible to students a sign in English and Spanish that contains the Department of Family and Protective Services' phone number for reporting child abuse and neglect.
- SB 152 adds a new requirement that an employee make a report if the employee has cause to believe that an adult was a victim of abuse or neglect as a child and the employee determines that disclosure is necessary to protect the health and safety of another child or an elderly or disabled person. This provision is also reflected at FFG(EXHIBIT).

DH(LOCAL) POLICY CONSIDERATIONS

To clarify an employee's responsibility and to comply with policy requirements, we recommend adding a statement to this local policy on employee standards of conduct requiring an employee to report child abuse and neglect as required by law.

Conduct and Discipline

Several bills also address student conduct and discipline:

- As reflected at FNCG(LEGAL), HB 1862 removed switchblade knives from the list of prohibited weapons in the Penal Code.
- At FNCI(LEGAL), SB 1114 provides that a primary or secondary student enrolled in the school can no longer commit the offense of disruption of classes. SB 393 provides that it is an exception to the application of the offense if a person was younger than 12 at the time the person engaged in the conduct. These changes are also reflected at GKA(LEGAL) for application to non-students on district premises.

- As provided at FO(LLEGAL), the student code of conduct (SCOC) must specify the circumstances under which a student may be removed from a school bus (SB 1541) or a vehicle owned or operated by a school district (SB 1114). SB 1114 also requires that the SCOC include options for managing students on a vehicle owned or operated by the district.
- FOA(LLEGAL) addresses a provision from SB 1541 allowing a bus driver to send a student to the principal in order to maintain discipline on the bus. The principal is required to respond by employing appropriate disciplinary management techniques consistent with the SCOC.

***More
Information***

For further information on these and other policy changes, refer to the policy-by-policy Explanatory Notes—customized for each district’s policies—and the policies themselves, found in your district’s localized update packet.

Minutes of Public Hearing & Regular Meeting

The Board of Trustees

Lago Vista ISD

A Public Hearing and Regular meeting of the Board of Trustees of Lago Vista ISD was held Monday, October 21, 2013, in the board room of Viking Hall 8039 Bar K Ranch Road, Lago Vista, TX 78645

Members Present:

Jerrell Roque

David Scott

Tom Rugel

Laura Vincent

Stacy Eleuterius

Members Absent:

Mark Abbott

David Baker

Also Present:

Matt Underwood, Superintendent

Dustin Riley, OBR

Henri Gearing, Asst. Superintendent

1. *Invocation*

Jerrell Roque called the meeting to order at 6:00pm, leading the board and public in the Pledges to the American and Texas flags, followed by a moment of silence for our school community.

2. *Welcome visitors/public participation*

Mr. Underwood welcomed those in attendance – there were no requests from public to speak.

3. *Public Hearing: Financial Integrity Rating System of Texas*

The FIRST hearing began at 6:02pm

Mr. Underwood informed that LVISD turned in a district score of 70 which is a perfect score, earning the highest rating of "Superior Achievement". Assistant Superintendent, Henri Gearing was praised for her excellent job of financial management over the past four years.

The public hearing concluded at 6:05pm

4. *Energy Savings Performance Review*

The District's energy performance review was presented. The District has saved a total of \$25,490 in energy costs in comparison with the previous year. The targeted number of \$30,000 was not met and the District will use the additional funds provided by Way Engineering Services to implement a piloted control system at the administration office. If successful, this system will be implemented at the current Middle School campus.

5. *Construction Update – OBR*

Dustin Riley gave progress update. Currently moving ahead as previously reported with completion dates for the main buildings and gym areas set for January and the Performing Arts Center in April. The bus awning in the front of the school that had previously been removed has been included in the scope of the project. Baseball and softball fields are scheduled to be sodded during the next month. City has given us a waiver to

water fields once they have been sodded. Permanent water is needed to the site to ensure that all fire protection is appropriate and the 16 inch water line is currently being installed by the City of Lago Vista to meet this need.

Bleachers to be delivered this week; working on elevator, should be done shortly; waiting on state inspection (could take a month); added to uncommitted funds – vocational equipment, fitness equipment \$155,000 left over for technology and phones, networking; contingency balance has not changed since last time.

Looking ahead – paving in the next couple of weeks; competition gym floors should be completed by end of Oct.; concrete starting next week.

Progress on the new high school remains ahead of schedule.

6. *Out of District Student Transfer Policy Review*

A first look at an out of district transfer policy was presented to the board. Concerns relating to the increase in enrollment at LVES were voiced as well as a possible targeted transfer policy in grades sixth through ninth. LVISD is one of the few districts in the State that does currently not accept transfer students other than children of current staff members.

7. *Approval of Student Health Advisory Committee Members*

Laura Vincent made a motion to approve the the SHAC member list as presented.

David Scott seconded

Motion carried 5-0

8. *Memo of Understanding with JJAEP*

The Board approved a memorandum of understanding with the Travis County JJAEP and approved the slate of members serving on the District's Student Health Advisory Committee Members

David Scott moved to approve the MOU

Laura Vincent seconded

Motion carries 5-0

9. *Security System Proposals for LVHS*

Five evaluators scored the bids for security systems. Interviewed the 2 lowest bidders. Mr. Underwood recommended we award to 911 Security Systems. All District security cameras will be controlled under the approved software system. They were not cheapest but quality seemed better; this software will be able to incorporate the entire district. An upgrade to the security at LVES was also discussed.

Laura Vincent moves to award the security and automated lock systems bid to 911 Security Systems, not to exceed \$129,000.

Stacy Eleuterius seconded

Motion carries 5-0

10. *Consent Agenda*

a. Approval of minutes for regular meeting on September 16th

b. Monthly financial report

c. Budget Amendment

Laura Vincent moves to approve consent agenda items

David Scott seconded

Motion carries 5-0

11. Superintendent Report

- a. 2012-13 Audit - A preview of the 2012-13 financial audit was discussed.
- b. Summer TAKS/STAAR - Scores from the summer administration of both TAKS and STAAR tests were reviewed.
- c. PTO/Playground Committee - Minutes from the LVES PTO playground visioning committee were discussed. Erosion from the hill on the East side of the playground is a concern.
- d. Ipad Initiative - Policy considerations as well as implementation models for the upcoming LVHS Ipad initiative were presented.
- e. Scoreboard Sponsorships - Scoreboard sponsorship costs at the new LVHS were discussed.

12. Discussion and Consideration of November Board Meeting Date

The next meeting of the LVISD Board of Trustees was set for November 18th

13. Adjourn

There being no further business, Laura Vincent moved and Stacy Eleuterius seconded motion to adjourn.
The meeting adjourned at 7:38pm

Board President

SCHOOL BUS ROUTING

ROUTING ANALYSIS

PLANNING

Proposal to the Lago Vista Independent School District

For analyzing routing data to provide a district bell study to maximize transportation efficiencies as the new high school opens in 2014-2015

Specific tasks and fees are outlined below:

Mbrass Connections proposes to utilize several routing software tools to gather and analyze routing data provided from Durham School Services that will provide Lago Vista ISD administrators options for setting bell schedules.

Mbrass Connections will provide Lago Vista ISD with a Google Earth version of the AM and PM bus routes, giving administrators the ability to review routes in detail with the following processes:

1. Import student data into programs
2. Plot and analyze current routes—define issues, transportation policies, politics, expectations, and possible solutions
3. Identify actual bus riders, and re-route as efficient as possible
4. Create a two-tier routing scheme
5. Suggest complimentary bell schedules

The initial charge is \$1,500 for the first 20 hours of service provided. Approved additional time will be billed at \$75 per hour. The estimated number of hours to complete this project is approximately 30 hours. The total estimate is \$2,250. A detailed invoice will be submitted for approval and payment.

Mbrass Connections will provide the district with progress reports to keep within the reporting deadlines. Expected completion date is November 26th.

Mike Brassfield

This proposal is dated the 12th day of November, 2013

CANVAS K-12

Looking for a modern learning platform that increases teacher satisfaction and student achievement—while eliminating IT headaches? Look no further.

Canvas K-12 is here.

canvas
BY INSTRUCTURE

A one-stop shop for all the best learning tools

Canvas K-12 has it all. It bundles assessments, grading, state standards, messaging, learning analytics and more—while keeping everything simple, easy and in one place.

Professional Learning

Create opportunities for teachers to learn online, track learning hours and allow institution-wide resource sharing.

Mobile Access

Engage students in learning anytime, anywhere from any computing or mobile device with a standard web browser.

K-12 Analytics

Pinpoint concepts students aren't grasping, assignments they've missed and who needs extra help.

Parent Co-enrollment

Co-enrolls parents in students' courses automatically to view assignments, due dates, grades and communicate with teachers.

State Standards

Align course objectives to Common Core / State Standards to meet reporting requirements.

Integrated Multimedia

Insert audio, video, text, images and more at every learning contact point.

Selective Release

Defines course, curriculum and learning paths, including pre-test and post-test assessment tracks.

Student View

Teachers can preview assignments and other course elements as students see them.

canvas
BY INSTRUCTURE

Canvas K-12 is a powerful, modern learning platform that enables individuals to transform learning. Canvas K-12 is provided by Instructure, a technology company committed to improving education through open and collaborative communication, design, development and solutions that leverage open source and open standards in education and web technologies.

So simple, but so powerful

Canvas K-12 is built using the same web technologies that power Google, Facebook and Twitter, so it's familiar from the start.

Integration

Use the web tools you want. Integration with third-party tools is easy using Canvas' open API, LTI, RSS or other integration methods.

Ease of Use

A familiar, intuitive interface means most users already have the skills they need to navigate, learn and use Canvas K-12.

Accessibility

Canvas K-12 integrates with assistive technologies and complies with accessibility standards.

Hassle-free hosting on the cloud

When course traffic is heaviest, Canvas K-12 will still be available and responsive, providing a positive experience for everyone.

Availability

Canvas K-12 comes with a 99.9% guaranteed uptime Service Level Agreement.

Hands-free Updates

Get the latest security patches, fixes and third-part compatibility updates in real time with no effort.

Support

Multiple support packages help tailor support costs to institutional needs.

Implementation

Instructure configures authentication and integrations, provides support for course migration and trains users.

Branding

Customize the look of Canvas K-12 to meet your institution's branding requirements.

CANVAS K-12 OVERVIEW

Canvas K-12 is a single, integrated learning management system that bundles assessments, grading, state standards tracking, messaging, learning analytics, and more, while keeping everything simple and in one place.

Canvas K-12 can be accessed from anywhere at any time, helping teachers engage students, and allowing parents to co-enroll in classes to track assignments and grades. Because Canvas K-12 requires no programming knowledge, teachers can easily create, manage, and reuse course content. Generally speaking, teachers, administrators, students, and parents already have the skills they need to navigate, learn, and use Canvas K-12.

Canvas K-12 is hosted by Instructure on the Amazon Elastic Compute Cloud (EC2) and uses the fully redundant storage resources of the Amazon Simple Storage Service (S3). Canvas K-12 can be accessed from any computing or communications device with Internet connectivity and a compatible web browser, including tablets and smart phones. Instructure guarantees 99.9% system availability and provides full support, rolling updates with no downtime, backups, and data recovery.

Table 1 includes a sampling of Canvas K-12 features.

Table 1. Canvas K-12 Features

Canvas K-12 Features	
Accessibility	Canvas K-12 complies with accessibility standards and is suitable for teachers and students of all abilities.
Flexible Pedagogy	A variety of teaching styles, frameworks, and Web technologies are supported.
Parent Co-enrollment	Parents are co-enrolled with students automatically to monitor assignments, grades, missing work, and teacher communication.
Learning Analytics	Teachers, administrators, and parents can monitor student engagement, track activities, and use predictive profiles to help at-risk students.
Standards Reporting	Objectives for state standards can be aligned with course assessments for easy standards reporting.
Integrated Calendar	Calendar events are scheduled and rescheduled with drag-and-drop functionality, plus automatic event notifications.
Rich Content Editor	Video, audio, images, tables, math formulas, and URL links can be embedded easily into course content.
Assignments	Submission formats include web pages, Word docs, video, audio, slide shows, and more.

Canvas K-12 Features	
Online Testing	Quizzes can be created from scratch or from question banks with a variety of question types and quiz options.
Rubrics	Created from sets of teacher-defined criteria, rubrics provide a structured, consistent, and prescriptive framework for assessment.
Learning Outcomes	Learning outcomes can be aligned to rubrics for institution-wide initiatives such as accreditation.
SpeedGrader™	Teachers can view, grade, initiate discussions, and provide students with written, video, or audio feedback within one frame.
Grades	Assignments and quizzes can be scored by points, percentages, letter grades, and complete/incomplete.
Groups	Ad-hoc groups allow users to form communities based on teacher assignment or self-signup for collaborations, clubs, or interest groups.
Chat	Synchronous audio, video, and text chat adds an extra dimension to the learning experience.
Communication Preferences	Users can opt to receive brokered notifications and messages via email, text message, Facebook, or Twitter.
Mobile Access	Courses are accessible from browser-enabled mobile devices (Android, Apple iOS, Blackberry, and WebOS).
Internationalization	English and Spanish are supported.
Integrations	The standards-based, pluggable platform provides easy integration with a wide variety of external technologies, systems, tools, and services.
Security	Independent security audits are scheduled annually and results are released publicly.
Canvas Help Center	The Web-based support center and knowledgebase includes links to Canvas Guides, video tutorials, FAQs, user-groups, and release notes.

CANVAS TRAINING

Training is provided as part of the Canvas LMS implementation and is included in the one-time implementation fee. Table 2 describe the training package included in the one-time implementation fee, as well as the optional training offered at an additional cost. The Canvas online standard training package comprises three webinar courses:

- LMS Administrator Training
- Support Training
- Instructor Training

High-level topics of courses are given in Table 2. These live webinars by our training team will be recorded to allow for future use and review by administrators, faculty, and students. If the institution would like these included training classes onsite, we recommend an initial live webinar (recorded) and then followed up with live onsite training. This allows for a higher level of understanding and interaction onsite.

Table 2. Standard Training Package

Training Offerings	Price	Description
Admin Training (one 2-hour session)	Online delivery in the implementation fee Onsite, one-day delivery of training as part of the three-course Standard Training Package at an additional cost of \$3,000 plus travel	Instructs LMS Admins how to configure the administrative settings in Canvas. Participants learn how to manage users, sub-accounts (domains), courses and enrollments, as well as how to organize courses, manage users and permissions, and create shared content that can be used by teachers.
Support Training (one 1-hour session)	Online delivery included in the implementation fee Onsite, one-day delivery of training as part of the three-course Standard Training Package at an additional cost of \$3,000 plus travel	Teaches local support personnel how to troubleshoot problems and support end users. Participants will learn how to utilize Canvas documentation, interact with the user community and effectively use the help ticketing system.
Instructor Training (one 2-hour session)	Online delivery included in the implementation fee Onsite, one-day delivery of training as part of the three-course Standard Training Package at an additional cost of \$3,000 plus travel	Provides instructors with an overview of basic Canvas functionality, including account settings, notification preferences, messaging students, uploading files, editing pages, customizing the course navigation and building assignments. Participants also learn the basics of quizzes, discussions, analytics, and grading.

Optional Training: Instructure also offers the following optional training courses as described in Table 3. A complete description of Training Products (PDF) is available [here](#).

Table 3. Optional Training

Training Offerings	Price	Description
Canvas Essentials Training (1 hour)	Online: \$300 per hour Onsite: \$3,000 per day plus travel	Introduces all types of users to the Canvas interface. This session includes a descriptive tour of Canvas features followed by a more in-depth look at how to build courses and manage course settings.
Canvas Course Design Training (1 hour)	Online: \$300 per hour Onsite: \$3,000 per day plus travel	Provides instructors with sample design strategies they can use to organize assignments, discussions, quizzes, and content into an easy-to-navigate course. Participants will also learn how to use Canvas assessment tools and analytics.
Assessment & Grading Training (1 hour)	Online: \$300 per hour Onsite: \$3,000 per day plus travel	Introduces instructors to features they can use to provide assessment, feedback and grades to students. Participants learn how to use Outcomes, Rubrics, SpeedGrader™, and the Gradebook.
Migration Strategies Training (1 hour)	Online: \$300 per hour Onsite: \$3,000 per day plus travel	Prepares instructors and/or support personnel to move existing course content from other learning management systems to Canvas. Participants learn how to import content and discuss migration strategies employed by other Canvas users. This Webinar is best suited for institutions preparing to migrate from Blackboard Learn or Blackboard Vista.
Collaboration Training (1 hour)	Online: \$300 per hour Onsite: \$3,000 per day plus travel	Introduces instructors to collaboration features in Canvas, including discussions, group assignments, Canvas Collaborations, and Conferences. Participants will discuss how these tools can be used to enhance their class activities.
Course Deliver Training (1 hour)	Online: \$300 per hour Onsite: \$3,000 per day plus travel	Prepares instructors who will facilitate pre-designed courses in Canvas. Participants will learn how to adjust account settings, navigate the Canvas interface, grade student work, manage the course roster, access Canvas

CANVAS K-12 PRICING

Please note: This section includes confidential information about Canvas K-12 pricing. Please share this information with representatives of Lago Vista ISD only.

Terms, pricing, and conditions are valid for 60 days from the date of this proposal.

Canvas K-12 pricing includes a one-time implementation fee and an annual subscription fee calculated by multiplying the number of users by an annual per-user subscription fee. Users are defined as students, teachers, and administrators. No fees are charged for observers or parents.

Table 4 breaks down Instructure’s pricing for the Lago Vista ISD Canvas K-12 account with Subscription fees based on a total user count of 450 as well as a one-time implementation fee.

Table 4. Canvas K-12 Three Year Subscription and One-Time Implementation Fees

Fee Description	Amount
Canvas K-12 Annual Subscription Fees for Year 1: 450 users @ \$12.66/user ¹ <ul style="list-style-type: none"> Refer to Table 5 for inclusions. 	\$5,697.00
Canvas K-12 Annual Subscription Fees for Year 2: 820 users @ \$11.83/user ¹	\$9,701.00
Canvas K-12 Annual Subscription Fees for Year 3: 1515 users @ \$10.51/user ¹	\$15,923.00
One-Time Implementation Fee: Incurred in Year 1 only <ul style="list-style-type: none"> Includes Standard Online Training Package Refer to Table 6 for inclusions. 	\$4,500.00
Year 1 Fees: Subscription and One-Time Implementation	\$ 10,197.00

¹ Fee subject to change as determined by actual contracted number of users. For Year 2 and beyond, subscription fees are subject to a 5% escalation rate year over year.

One-time implementation fee and subscription fee inclusions are given in Table 5 and Table 6.

Table 5. One-time Implementation Fee Inclusions

Implementation Services	Description
<i>Production Account Setup</i>	Instructure sets up and configures the Canvas K-12 account and replicates the district’s or school’s organizational hierarchy.
<i>Authentication/Single SignOn (SSO) Integration</i>	We assist with setup of our supported identity providers (LDAP, CAS, SAML/Shibboleth).
<i>Site Branding / District or School Customization</i>	Instructure assists in adding a custom header and logo and provides documentation for additional branding.

Implementation Services	Description
Basic SIS Endpoint Integration	Instructure sets up the API endpoint integration for SIS data interchange with Canvas K-12.
Supported Third-Party Tools and Services Integration	Instructure configures third-party integrations with EQUELLA, Respondus, Turnitin, and other supported tools and services.
Legacy Content Migration	Instructure provides training and assistance in using Canvas K-12 migration tools for importing and transforming legacy content into Canvas K-12 courses.
Help Desk Support Configuration	Instructure establishes a Zendesk help desk account or sets up forwarding of tickets to an existing help desk system.
Standard Online Training Package	Instructure provides LMS Administrator, Support Setup, and Teacher/User training webinars. Optional high-level and user-specific training is available online or on-site at additional cost.

Table 6. Subscription Fee Inclusions

Subscription Fee Includes	
Comprehensive Hosting Services	500 MB Storage per user ¹
Basic Support Package	Test/Training Instance
Canvas K-12 Features and Functionality Including, but not limited to:	
• Web Services Integrations	• Migration Tools
• Reporting Tools	• Mobile Access Support
• Content Management	• Learning Outcomes & Rubrics
• Cross-Listing Support	• ePortfolio
• Communications Tools	• Web Conferencing
• Analytics Toolset	• Files Repository

¹Additional storage is available at \$0.50 per 500 MB per user per year.

Table 7 describes and provides the pricing for Instructure’s support packages. The Basic Support Package is included in the Canvas Cloud subscription fee. Advanced and Premium Support are offered at additional cost.

Table 7. Support Packages

	Basic Support	Advanced Support	Premium Support
Cost	Included in subscription fee	15% of annual subscription fee or \$3,000 minimum	20% of annual subscription fee or \$5,000 minimum
Online Canvas Help Center	24/7/365	24/7/365	24/7/365
Canvas Community Access	24/7/365	24/7/365	24/7/365
End User (Student/Teacher/Staff) Support	Institution LMS Admin*	Institution LMS Admin*	Institution LMS Admin*
Web Form/Email Support (escalated tickets to Tier II & III)	2 business day response time	24 hour response time	8 hour response time
Phone Support (for local LMS Admin)	M-F 6am to 6pm Mountain Time	M-F 6am to 6pm Mountain Time	24/7/365
Authorized LMS Admin Support Accounts*	1	2	3

*For more than the allotted LMS Admins, an institution will be required to pay \$500 per additional LMS Admin.

Tier 1 Support for Students & Faculty

Tier 1 Support is first-line help desk support for end users (students and faculty) provided by Instructure. Tier 1 Support covers user problems such as logging into Canvas, how to use Canvas, and resolving other bugs or issues in Canvas.

End users receive access to live chat that is 24/7 in addition to the phone, web, and email ticket options. SLA for **response** is 1 hour for Web and email tickets, 60 seconds for phone calls, and 2 minutes for live chat.

If your institution is using Canvas authentication, Instructure will also help with password resets. If your institution uses Single-Sign On, (CAS, SAML, Shibboleth, LDAP), Instructure will not be able to help because of security liability concerns.

Instructure does not currently perform any instructional design consulting for end users as part of Tier 1 support.

Instructure Tier I Support requires the purchase of Premium Support as described in Table 8 as well as the setup and per FTE costs shown in Table 9.

Table 8. Instructure Tier I Support Costs

Description	Costs
One-time setup fee	\$5,000
Per annual FTE/user subscription	\$3.50 (or a minimum of \$5,000)

Customers are not charged on a per-ticket or per-incident basis. There are also no charges for overages. Table 9 lists Tier I support service levels for the institution's faculty and students.

Table 9. Instructure Tier I Support Service Levels

Service	Service Level
First Contact Resolution	Greater than 75%
Call Abandon Rate	Less than 10%
Phone	80% of calls answered in 60 seconds or less
Online Chat	80% of chat requests answered in 120 seconds or less
Online Form – Email & Help Desk Ticket Response	80% of tickets or emails responded to in 60 minutes or less

For more information about Canvas K-12, please contact the Instructure representative in Table 10.
