

Give Back to the World Holiday Bazaar

'Twas a few weeks before Christmas, and all through the town
each person was waiting for the Bazaar to come around!

Local businesses are planning for what they might sell,
local homemakers and crafters will be there as well!

The students are fundraising for the school's activities
Like trips, and their clubs, and other festivities!

But wait! I haven't even said the best part -
Each purchase you make is a gift from the heart.

All of the vendors need a round of applause
because their proceeds will go towards a charitable cause!

So while you are browsing and spreading good cheer,
your purchase will make someone grin from ear to ear.

You're making a difference, whether it's near or far.
So join us at this year's Holiday Bazaar!
