GRADUATING FROM HIGH SCHOOL

To earn a diploma in LVISD, you must:

- Earn 28 credits
- Pass required courses specified by graduation plan
- Pass STAAR EOC tests: English 1, English 2, Algebra 1, Biology, US History

WHAT IS A CREDIT?

- One credit = 1 full year in a class
- One half credit = 1 semester of a class
- To earn a credit:
 - Semesters averaged must be 70% or greater
 - Must attend 90% of days allotted each year for course credit
- Must earn required number of credits to be promoted from one grade to the next and to graduate.

GRADUATION PLANS

Students have 2 main options:

- Foundation High School Plan (FHSP)
Plus Endorsement
- Distinguished Achievement Plan
(DAP)

3rd option (FHSP Only) doesn't meet most eligibility requirements for four-year colleges and universities.

FHSP PLUS ENDORSEMENT

4 credits	English Language Arts
4 credits	Mathematics
4 credits	Science
3 credits	Social Studies
1 credit	PE or PE Substitute
1 credit	Fine Arts
2 credits	Foreign Language (LOTE)
.5-1 credit	Speech*
.5 credit	Health/LNW*
.5 credit	Personal Financial Literacy (Money Matters)*
4 credits	Electives in a coherent sequence (Endorsement)

**Local Requirement*

ENDORSEMENTS?

- Think of it as a major...except in HS.
- Personalized learning plan in line with a student's interests and goals.
- Selected upon entering 9th grade
- May be changed at any time with parent approval by working through the campus counselor.

DISTINGUISHED ACHIEVEMENT PLAN (DAP)

- All requirements of FHSP Plus Endorsement AND
 - Algebra II
- All students enter high school under the DAP Plan with an Endorsement
- DAP is **required** to be eligible for automatic admission into state universities if they graduate in the top 10% of their class*

**The University of Texas has more stringent admissions requirements.*

PERFORMANCE ACKNOWLEDGMENTS

Outstanding performance in:

- Bilingualism and biliteracy;
- In a dual credit course, on an AP or IB exam;
- On certain national college preparatory and readiness or college entrance exams; or
- Earning a state recognized or nationally or internationally recognized license or certificate.

GPA AND RANK

A → 4

D → 1

B → 3

F → 0

C → 2

GRADE POINT AVERAGE (GPA)

- Calculated average letter grades earned
- Colleges use this to measure your overall performance in high school
- LVISD uses a weighted GPA scale
 - Advanced classes (AP, Dual Credit, OnRamps) receive extra weight
- Strong Coursework + Good Grades = Higher GPA
- Higher GPA = Better chance of getting into college of your choice!

CLASS RANK

- All students ranked in order of GPA
- Determined by averaging all semester grades earned in eligible classes
- Eligible high school courses from middle school are included
- #1 = Valedictorian
- #2 = Salutatorian
- Top 10% = Automatic Admissions

TOP 10% COLLEGE ADMISSIONS

- Ranked in the top 10% of their graduating class
- Eligible for automatic admission to any public university in Texas...
except for the University of Texas
- Admission does not guarantee acceptance into a particular college of study or department

ADVANCED COURSE OPTIONS

PRE-AP

- Prepare students for success in college level course work in high school and beyond.
- Are **more academically challenging** and require **more independent learning**
- Frequently have **summer assignments**
- Weighted HS credit
- Are NOT “all or nothing”
- Students develop academic readiness at different rates and may not be ready for Pre-AP at the same time as their friends or classmates.
- **Review entry and exit guidelines in the course guide!**

ADVANCED PLACEMENT (AP)

- For students who wish to pursue **college-level** studies while in high school
- Frequently have **summer assignments**
- Weighted HS credit
- Additional weight for taking AP exam
- May earn **college credit** based on score on AP test (generally 3 or higher)
- **Review entry and exit guidelines in the course guide!**

AP Capstone Program Model

A two-course sequence that provides students with the critical thinking and research skills needed to succeed in college and stand-out in the admission process

AP Capstone Diploma™

Students who earn scores of 3 or higher on the AP Seminar and AP Research Exams and on four additional AP Exams of their choosing will receive the **AP Capstone Diploma™**.

AP SEMINAR

Team Project & Presentation

Research-Based Essay & Presentation

Written Exam

AP RESEARCH

Academic Thesis

Public Presentation & Defense

4 AP COURSES & EXAMS
(Taken at any point throughout high school)

AP Research & Seminar Certificate™

Students who earn scores of 3 or higher on the AP Seminar and AP Research Exams only will receive the **AP Seminar and Research Certificate™**

DUAL CREDIT

- Enroll in college courses while in high school
- Credit counts toward high school graduation and **earns regular college credit AND saves money!**
- Weighted HS credit
- LVISD offers multiple options:
 - OnRamps through UT-Austin, ACC Dual Credit, & TXVSN.
- Have eligibility requirements (TSI).
- Check with prospective colleges to determine if a course will count!
- **Review entry and exit guidelines in the course guide!**

GETTING READY FOR COLLEGE

COLLEGE

STEVE-LOVELACE.COM

COLLEGE VISITS

- Juniors and seniors are allowed **two college visit days** per year.
- Principal must give prior approval.
- “College Day” permission form available in the office.
- Students need to provide verification of the college visit.

COLLEGE ENTRANCE EXAMS

- Standardized tests are required for entry into most colleges/universities.
- Three primary exams:
 - Texas Success Initiative Assessment (TSIA) – *Texas Only*
 - Scholastic Aptitude Test (SAT)
 - American College Test (ACT)

TSIA

- Prior to enrollment in a Texas public college or university, students must demonstrate readiness or “**meet TSI**” in English & Math
- May take a standardized test called the Texas Success Initiative (TSI) assessment
- SAT/ACT also allow students to “meet TSI”
- **Meeting TSI is required before a student enrolls in a dual-credit course**
- State law allows students to exempt TSI for dual credit purposes only –
 - Level 2 final recommended score English II EOC
 - 435 on the ACT-Aspire English test; 431 on the ACT-Aspire Math
 - PSAT/NMSQT - but scores still haven’t been determined.

SAT/ACT

- Many colleges **require** either ACT or the SAT for admission.
- These exams are usually taken at the **end of the junior year.**
- Preparatory and readiness assessments for the SAT and ACT are the **PSAT and ACT-Aspire.**

LVISD AND PSAT

PSAT/NMSQT[®]
Preliminary SAT/National Merit Scholarship Qualifying Test

WHY THE PSAT?

- Students take for free in 8th, 9th, 10th, and 11th grades. (Thank you LVISDEF!)
- Identify academic strengths and weaknesses.
- Practice for the SAT that will have an impact on their college application process.
- **FREE** personalized SAT & college planning tools online.

NATIONAL MERIT

- PSAT/NMSQT qualifies 11th graders for the **National Merit Scholarship Program**
- Complicated process – determined after test and is based on Selection Index
- Must answer four questions “correctly” to be entered
- Two levels of recognition:
 - Commended - top 3% nationally
 - Semifinalist - top 1% by state
- One word - **SCHOLARSHIPS**

NATIONAL MERIT — 4 QUESTIONS

- Student answer document **must** indicate that he/she:
 - Is in 11th grade
 - Is planning to graduate on time
 - Is planning to enroll in a full-time college no later than the fall after graduation, and
 - Is a US citizen or lawful resident who intends to become a U.S. citizen at the earliest opportunity allowed by law.

NATIONAL MERIT — SELECTION INDEX

- To calculate, double the sum of of your Reading, Writing and Language, and Math Test scores.
- In 2016, the national Selection Index score for National Merit Commended was **211**.
- In 2017, the Selection Index score for National Merit Semifinalists was **221** in Texas.
- It's important to remember that being in the top 99% of ALL test takers is not the same as being at the top of the students who qualify to enter the program...**it's a higher bar.**

CHANGES TO PSAT/SAT IN 2015

- The score range is **1520** (not 1600!)
 - Range of 160 to 760 for both the Math and Reading/Writing sections.
- Reading and Writing sections are combined into **one overall score**.

CHANGES TO REMEMBER

Words in Context: No more obscure and seemingly random words, commonly called “**SAT words**”. Now students will encounter relevant words and phrases that derive their meanings from the contexts in which they are used.

CHANGES TO REMEMBER

No Penalty for Guessing: The redesigned tests remove the penalty for guessing that has been used to score the SAT in the past.

BEST EFFORT IS IMPORTANT

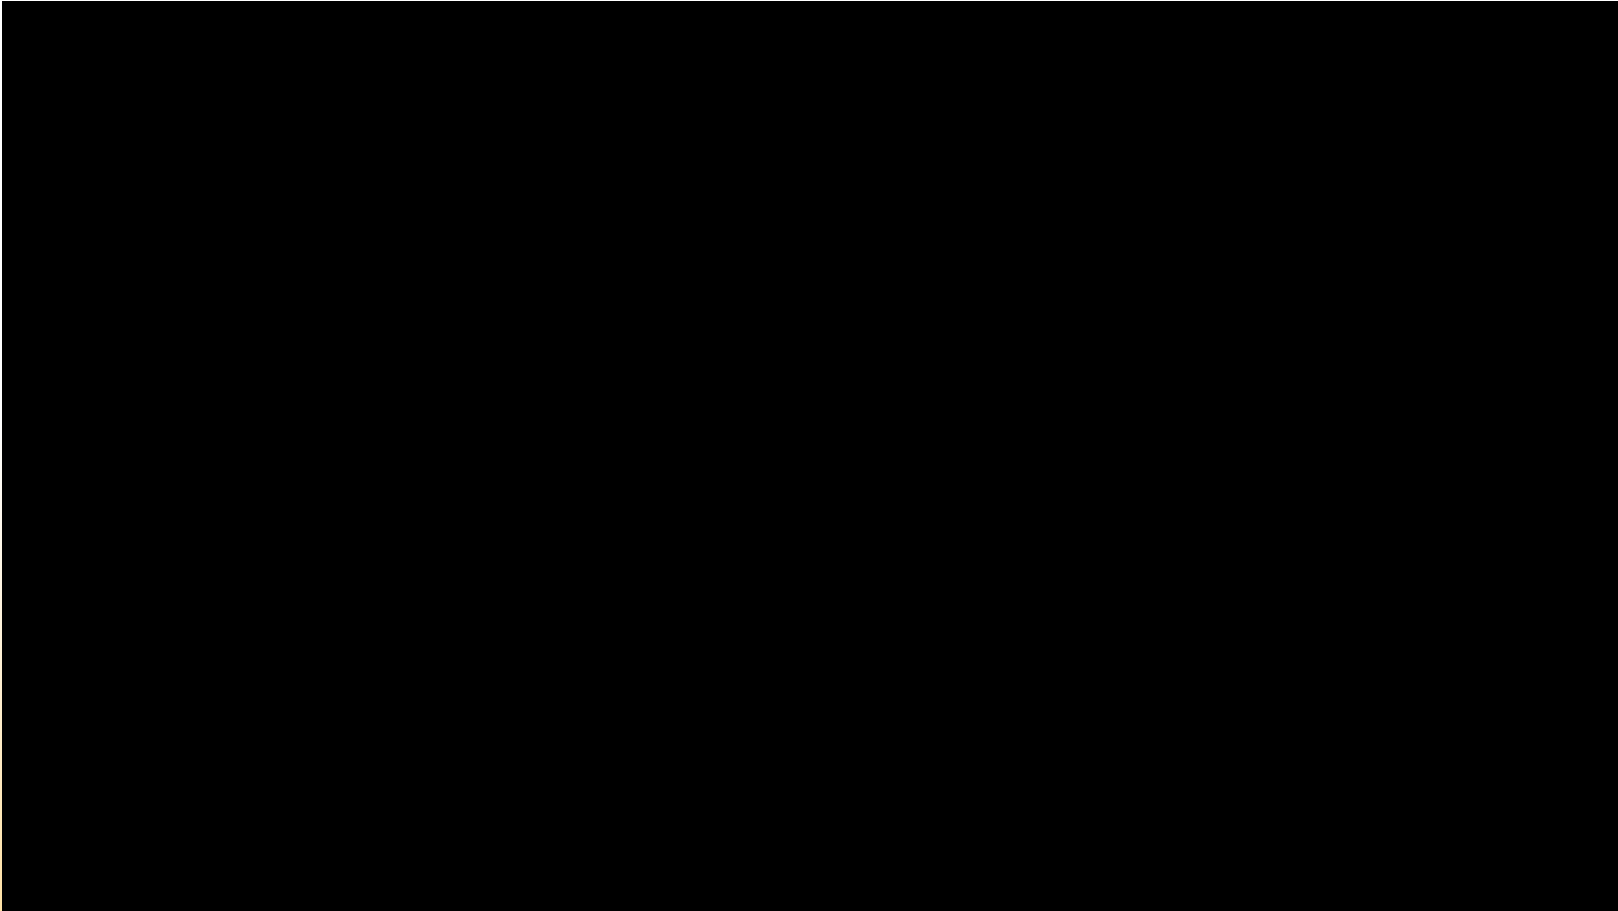

- 1. Money for College**
 - On PSAT NMSQT, students should say “Yes” to Student Search Service
- 2. National Merit Scholarship Program**
- 3. Learn What Students Need to Improve**
 - Let scores reflect what students really know
 - Use the tools to improve
- 4. Don't let students close doors before they decide if you want to go through them!**

KHAN ACADEMY & BIG FUTURE ACCESS

Using the **FREE** access provided by College Board, students can access:

- An online score report
- A **customized SAT study plan** with free access to Khan Academy
- Parents – You can create an account and link it to **“coach” your student!**
- **Access to Big Future** - an interactive majors, college, and career exploration program
- Feedback on readiness for **AP courses**
- Access to **scholarship** information

KHAN ACADEMY & BIG FUTURE ACCESS

STUDENTS HAVE FOUR EASY STEPS!

1. Create a College Board Account.

www.collegeboard.org

2. Set up a College Board/Khan Academy Account.

www.satpractice.org

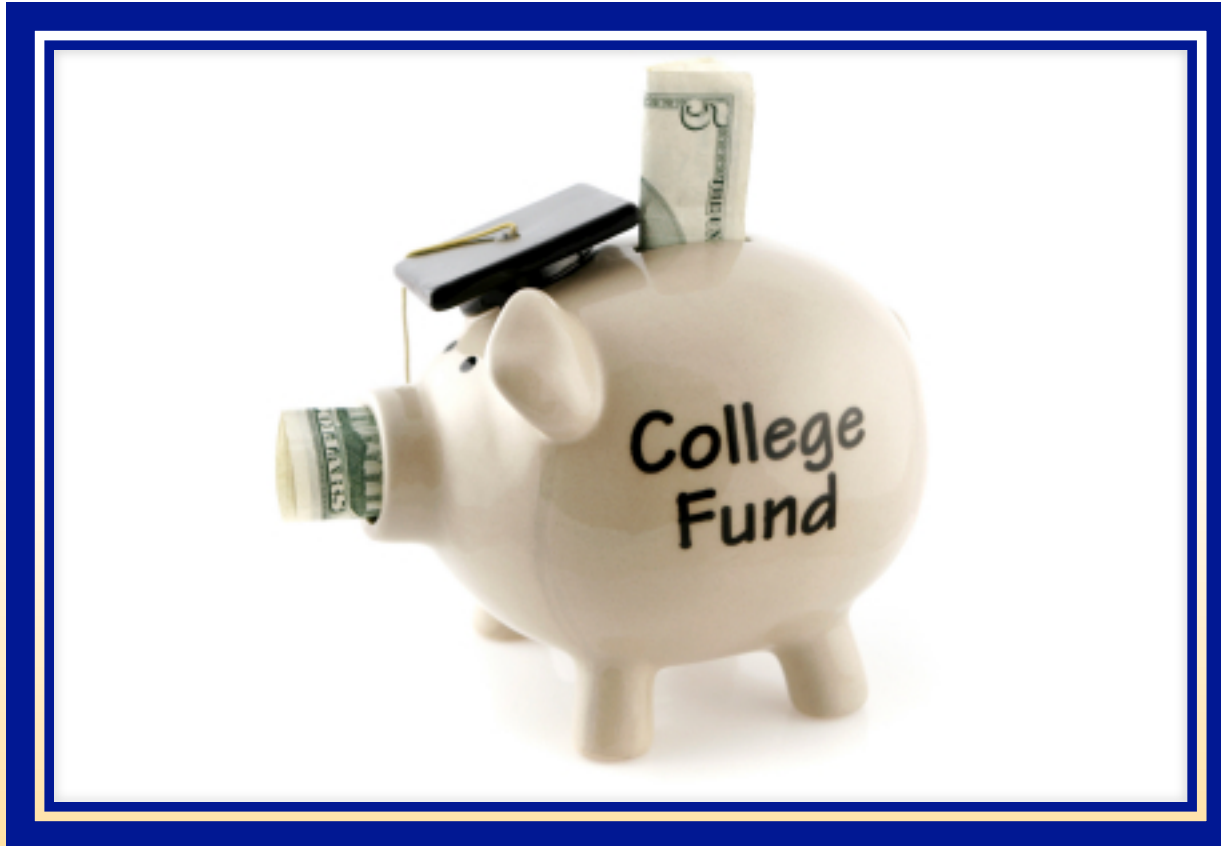

3. Link your scores.

4. Add a coach. All you need is their email.
