

## **Media Release for Seamless Summer Option Free Meals in School Year 2021-2022**

*Lago Vista ISD* announced that this school year, healthy meals will be offered to all students at no cost every school day. Typically, a student's household must meet income eligibility requirements to qualify for free or reduced-price meals. However, the United States Department of Agriculture (USDA) issued guidance that allows schools to offer meals to all students at no cost for the 2021-2022 school year.

While no application or eligibility determination is required for your student to receive free meals this school year, income eligibility requirements will likely resume in the 2022-2023 school year. As such, *Lago Vista ISD* will process household applications during School Year 2021-2022 to ensure student eligibility for free or reduced-price meals during the first 30 days of the 2022-2023 school year while 2022-2023 applications are being processed. Each school/site or central office has a copy of the policy, which may be reviewed upon request.

Starting on *August 12* *Lago Vista ISD* will begin distributing letters to the households of the children in the district about these 2022-2023 eligibility benefits and actions households need to take to apply. Applications also are available at <http://www.lagovistaisd.net/page/nutrition.home>
