November 18, 2020

Hi Parents.

As the principal of Lago Vista High School I wanted to let you know how thankful I am to be partnering with you in your child's education. It is such a blessing to be able to get to know your children and to experience their growth and maturity during these unusual times. We will all get through this and will be stronger on the other side because of the sacrifices and respect we show each other daily.

I want you to know that we are making a concerted effort as we approach the last leg of the Fall Semester to finish strong academically as well as to adhere to our safety protocols. Please partner with me reminding our students to continue to be diligent with wearing their masks, socially distancing, and practicing good hygiene. We don't want to let up as area schools around us have increasing cases of COVID related issues.

In addition, I wanted to let you know in case you had intentions but maybe forgot, there are still some slots left to make this Thursday (tomorrow) a wonderful "THANKS" giving pie-day. Please click the link and sign up today.

We have a wonderful staff here at Lago Vista High School who continue to work hard with servant hearts. All of us have a choice every morning to choose "bitter or better." This Viking Family here at LVHS do try hard to choose "better" everyday. We are not perfect, but we do have good hearts and want to do right by all.

Lastly, enjoy this upcoming week celebrating with a thankful heart all that is good in the world. Please be safe, be wise, and be bold when appropriate. I look forward to seeing what positives we can gleam from the remainder of 2020.

Blessings to you and yours,

L&G (Love and Gratitude),

Stu Taylor
